

BRIDAL PASSPORT Sponsorship Opportunity

We have introduced a Passport System at our events, where engaged couples, brides, and grooms can collect hole punches from participating exhibitors. After completing their Passport, their names will be entered into a draw for a grand prize. This system has resulted in an impressive 85-95% engagement rate at our shows.

If you're interested in sponsoring one of our prize giveaways, we invite all exhibitors to participate in our ADIW passport program. To be part of this initiative, simply contribute a prize worth \$500 or more.

Example: 1 x \$500 GC 2 x \$250 GC 5 x \$100 GC Other
