

## Coronavirus Pandemic 2020

(gleaned from several sources)

Psalms 53:5 There were they in great fear, *where* no fear was: for God hath scattered the bones of him that encampeth *against* thee: thou hast put *them* to shame, because God hath despised them.

2 Thessalonians 2:1-12 Now we beseech you, brethren, by the coming of our Lord Jesus Christ, and by our gathering together unto him, (2) That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand. (3) Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; (4) Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God. (5) Remember ye not, that, when I was yet with you, I told you these things? (6) And now ye know what withholdeth that he might be revealed in his time. (7) For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way. (8) And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming: (9) Even him, whose coming is after the working of Satan with all power and signs and lying wonders, (10) And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. (11) And for this cause God shall send them strong delusion, that they should believe a lie: (12) That they all might be damned who believed not the truth, but had pleasure in unrighteousness.

Is this coronavirus a sign of the end of the church age? Paul was asked a question about the end times. Apparently some teachers were coming to the church at Thessalonica spreading rumors that Paul had written a letter saying that the day of the Lord had already come, and that they had missed it. So those Christians were in a Panic.

In v.3, Paul assured them that the day of the Lord, the Second Coming of Christ, judgment day, had NOT happened yet. Paul said Jesus will NOT Return until v3, after a great falling away from the truth of the Gospel. Once this wholesale rejection of the truth takes place (as in NOW), the world will be wide open for the lie of Satan, the great deception of the antichrist (v.3). This is prophesied for the last days of the church age. Then the church will be raptured out and the man of sin, the son of perdition (v8), the lawless one will appear, the one the Apostle John calls the antichrist.

According to v.9-10, this antichrist will be empowered by Satan. He will be the master of deceit. He will perform lying signs and wonders. Verse 4 says he will oppose God, exalting himself above God, and will deceive people by sitting as God in the temple of God, showing himself that he is God.

Jesus warned us before He went to the cross, that in the last days before His return, false teachers will arise, denying that Jesus is the Messiah. Instead, they will tell the world that THEY are Christ, the Anointed One, sent from heaven. They will be the one with all the answers to all of mankind's problems.

Matthew 24:24-25 For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if *it were* possible, they shall deceive the very elect. (25) Behold, I have told you before.

In Matthew 24:15, Jesus said we should read and understand what Daniel said. Daniel gave us a description of the final world superpower and its ruler. The final superpower and its superman will appear as soon as the rapture occurs. Daniel chapter 2 gives us the big picture. There are five great superpowers in history that rule the world. Please read Daniel 2:31-33.

From Nebuchadnezzar's image, we see:

- 1- Golden Empire - Babylonians
- 2- Silver Empire - Persians
- 3- Brass Empire - Greeks
- 4- Iron and Clay Empire - Romans

Each succeeding kingdom is less powerful than the previous one, represented by cheaper metal. (So much for evolution and things getting better.) Read Daniel 2:37-40.

After the Roman Empire collapsed, many nations have tried to rule the world, but none have succeeded. But there will be a fifth and final world empire, made up of remnants of the Roman Empire, composed of Western Civilization. This world government will appear at the end of this age, but it will be weaker than the previous empires that came before it. The new empire will try to build a New World Order, by mixing and mingling the different ethnic groups around the world. But, trying to unite all the nations will be like trying to mix iron and clay; they will NOT UNITE or stick together for long.

This final World Order will appear to be strong, but it will be very fragile. It will be easily broken. See Daniel 2:41-43. When the Lord comes back in judgment, the kingdom of antichrist will be completely and forever destroyed.

Daniel chapter seven describes the final world ruler, the antichrist. Daniel calls him a “little horn” (7:8).

Horns in Scripture stand for power. But the antichrist, being a “little horn.” Will not be as powerful as Nebuchadnezzar of Babylon, Cyrus the Persian, Alexander the Great, or Julius Caesar. He will be “inferior” (Dan. 2:39) to all previous world rulers. He will be a little horn who makes a lot of noise.

Read Daniel 7:25. HeTje antichrist will be a big talker, claiming to be bigger than God. He will try to get rid of God. He will “think to change times and laws.” Those are privileges that belong only to God (Dan. 2:21), but the antichrist presents himself AS God. The “times and laws” he will change are religious things, like the Jewish feasts and holy days, and the law of Moses. In other words, he will change the morals and beliefs of society by changing the truth into a lie (Isa. 5:20; Rom. 1:25; II Thess. 2:9-12), just like Jeroboam did (I Ki. 12), changing the feast days and what the people worshipped. The antichrist will reestablish temple worship and the sacrificial system, all aimed at himself.

In Daniel 8, there is another look at this antichrist. Read Daniel 8:23. He will be mean and fierce, be big and bad. He will be powerful, “but not by his own power.” See Daniel 8:24. The “mighty and holy people” refers to the Jews.

So, the antichrist will not be a warrior inspiring men to follow him, like Nebuchadnezzar, or Cyrus, or Alexander, or Julius Caesar. He will use schemes and deceptions; he will be a manipulator. See Daniel 8:25. His “policy” will amount to executive orders. His “craft” is the idea of deception. He will be a super diplomat, a great politician, who will manipulate himself into power.

In Daniel 11, we find that he will NOT conquer the world like the great warrior kings of the past. Compare Daniel 11:38. He will conquer the world with deception and the philosophy of pagan gods his ancestors did not know. He will “honour the God of forces.” In other words, brute force will be the god of the antichrist, and that is what he will use once he gains control. He will come in with flatteries, peaceably. Revelation chapter six says he will come in with a bow, but no arrows. He will make treaties and use diplomacy, but once he gets control, then he will no longer use flatteries; he will use brute force to destroy anybody who opposes him.

He will also use the god of money (Dan. 11:38b) to help him conquer the world: “with gold, and silver, and with precious stones.” (Something like government handouts and stimulus checks.)

So this final world ruler, this antichrist, will not conquer the world by the sword with armies attacking from country to country, like in the old days. He will take over the world by deception, with lying signs and wonders. He will use propaganda to deceive people. He will use money to manipulate and control people. Read II Thessalonians 2:7. Paul said the mystery of iniquity was already at work in his day. We have come some 2000 years since then, so the stage is now set for a final One World Order.

According to Revelation 13, when this world government is ready, Satan himself will enthrone and empower the antichrist, even though his mystery of iniquity is already at work.

Daniel 12 tells us that in the last days, transportation and information will Increase. Paul agrees with that in II Timothy 3:7, when he says that in the last days, men will be “Ever learning, and never able to come to the knowledge of the truth.”

We have observed this “mystery of iniquity” at work for many decades. Those who have “understanding of the times” ( I Chron. 12:32) can clearly see it. The globalists and money men who run this world have been working hard, trying to sell the world on a one world government. After WWI, it was the League of Nations; after WWII, the United Nations. Billions of dollars have gone into their schemes, trying to build their “New World Order.” And we are almost there. Big Brother’s all-seeing-eye is about to engulf us all. (Note said eye on the back of our dollar bill, with its Latin inscription under the pyramid, “NOVUS ORDO SECLORUM” (New World Order). (WOW! The new world order was in the works in 1776.)

I am not a doomsday preacher nor a fatalist nor a conspiracy theorist. I would be defined as a realist - a person who accepts a situation as it is, and is prepared to deal with it accordingly. Do I think that the coronavirus is the sign of the end of this age? No, but it has shown me how easily the antichrist will be able to enforce the taking of his mark (Rev. 13:17). Maybe the coronavirus is a plague from God. I do not know, but it seems very evident that it may well be a practice run, a drill, a simulation, a rehearsal, for Satan to work out the bugs for his superman. This is the beta version, being used to get all the nations prepared for the FINAL WORLD GOVERNMENT.

In the last three months, we have watched our globalist leaders manipulate our country (and other countries) with the Marxist Revolutionary Technique known as The Hegelian Dialectic (Geo. Hegel, German philosopher, d.1831).

Problem - Reaction – Solution. The Globalists CAUSE a Problem, such as terrorism or pandemic or climate change, etc. They wait for the public's reaction: "Oh, NO! We're all gonna die! Somebody DO Something, quick!" They have their pre-prepared solution ready, which usually involves more government control of our lives. (The details of this are in the book, *Handbook for Christian Philosophy*, by SBC pastor and professor, Dr. Russ Bush, pub. 1991.)

Let's look at the timeline and the changes that have occurred in the last couple of years, that brought about the current situation. It began for the U.S.A. on March 13<sup>th</sup>, when President Trump declared a State of Emergency. On November 8, 2016, Trump won the Presidential Election by promising to "Make America Great Again." He promised to put a stop to the globalist agenda, to close our borders, to quit paying all the bills for the United Nations and NATO, and to stop this man-made Global Climate Change hoax, and stop the one-sided trade deals. He wanted International Trade to continue, but not at the expense of American sovereignty.

Immediately the globalists, the tree-huggers, the save-the-cockroach crowd, the murder-the-babies crowd, and the Wall Street billionaire bankers turned on him. The Press attacked him. The Democrat (aka, dumbocrat) politicians and the

“Never Trump” Republicans began trying to Impeach Him. When that failed, the next “crisis” move was the coronavirus. In the Past, it was usually David Rockefeller pulling political strings around the world, but he died in March, 2017 (at 101). And there is also George Soros (90 years old).

But today, it looks like Bill Gates is taking the lead of the Billionaire Club's move toward a One World Government. (There are some 600 billionaires in U.S., and 2095 in the world.) Henry Kissinger (97 years old) wrote an article in the Wall Street Journal on Apr 3 this year rejoicing about how the Coronavirus would finally lead us to the New World Order.<sup>1</sup>

Bill Gates is one the richest globalist in the world today (net worth, \$104.8 billion). He is the co-founder of Microsoft, and is now working to give away his billions through the Bill and Melinda Gates Foundation. The Foundation assets are \$46.8 billion.

Gate's pet projects are population control and vaccinations. His father was a board member of Planned Parenthood. He helped young Bill to understand the *need* for global birth control in order to save the planet. Vaccinations are a subset of population control. The dumb philosophy is, if less babies die in infancy, parents will want fewer Children. Gates works these ideas through The Good Club<sup>2</sup>, which is made up of other Globalist Billionaires like George Soros, Warren Buffett, Oprah Winfrey (worth \$2.6 billion), the Rockefellers, Ted Turner, etc. The Good Club's agenda is to find ways to “shrink the world's population.”<sup>3</sup>

The World Economic Forum is held annually in Davos, Switzerland, where around 3000 of the world's wealthiest people gather to figure out how to rule the world. They are committed to improving the state of the world by engaging “leaders of society to shape global...agendas.”<sup>4</sup>

At the Davos meeting on January 17, 2017, Bill Gates initiated a new working group he called CEPI (pronounced “seppy”), the Coalition for Epidemic Preparedness Innovations.<sup>5</sup> CEPI is tied in with collaboration of Gate's Foundation, the governments of Norway, India, Japan, and Germany, and two big pharmaceutical companies (Inovio, a biotechnology company that has developed a synthetic DNA for treating cancers and infectious diseases; and Moderna, also a biotechnology company, creating synthetic RNA to inject into patients and working on a coronavirus vaccine). Also in the lineup with CEPI is DARPA (Defense Advanced Research Projects Agency, called the Mad Scientists of DOD; involved in development of military technologies) and the U.S. Army Medical Research Institute of Infectious Diseases at Ft Detrick, MD. CEPI finances research projects “to accelerate the development of vaccines against emerging infectious diseases.”<sup>6</sup> (“emerging”? Has the reader noticed the new diseases that keep cropping up?! AND, the new drugs to combat the new diseases?!)

CEPI began working on the NEXT Epidemic, in 2017. A Global Research article headline on March 25, 2020, was titled, “After the Lockdown: a Global Coronavirus Vaccination Program.” The man who wrote that article, Prof. Michel Chossudovsky, said, “The COVID-19 crisis is marked by a public health ‘emergency’ under WHO (World Health Organization, a United Nations agency) auspices which is being used as a pretext and a justification to triggering a Worldwide process of economic, social and political restructuring. Social engineering is being applied. Governments are pressured into extending the lockdown, despite its devastating economic and social consequences.”<sup>7</sup> Chossudovsky is founder and director of the Centre for Research on Globalization in Montreal and editor of Global Research.<sup>8</sup>

In 2015, Bill Gates predicted a coming pandemic. He predicted millions of people would be killed because nobody was prepared for it. He said something like the 1918 Spanish flu epidemic would be coming soon and as many as thirty million could die from it.<sup>9</sup>

Just for the record, the swine flu of 2009 was classified as a pandemic, but life in most places went on as normal. In the 1918 Spanish flu epidemic, an estimated 675,000 Americans died from it and an estimated twenty plus million worldwide. We are not treating this coronavirus pandemic lightly. Much of what has been done today was done then, with shutting down public activity. In most places, churches were left to be voluntary (as it should be), but some cities ordered them closed. In most places, “churches agreed to suspend worship services to help save lives.”<sup>10</sup>

Of course, they did not have such things as live-streaming in 1918, so when they could not attend church, they missed almost everything. (Some churches mailed weekly information to their members, such as sermons and Sunday School lessons.) A Baptist paper, *Word&Way* (still in operation), published a 1918 article recommending churches to suspend their meetings. It said they should promote “health efforts rather than fighting official decrees.”<sup>11</sup>

The Spanish flu strain was H1N1. That is the same strain for bird and swine flu. They are called by where the original source was thought to come from. Spanish flu was also called French flu, and Kansas flu, Kansas because the first U.S. case was reported in Kansas. It affected 62 countries. People died from it, but they said for most people it was no worse than seasonal flu. The maximum estimated death rate was around 3%.

The same has been true with corona virus, with its death rate being no more percentage wise than annual flu, around 3%. The problem has not been the virus; as most people who get it recover with no ill effects. The major problem for society has been political and media engineered fear to create more governmental control.<sup>12</sup>

At the Davos meeting, Gates worked on a Netflix video called “The Next Pandemic.” The film is dated November 13, 2017, and was released in November, 2019. The plot of the documentary was a Coronavirus like infection that originated in a “wet market” in China, leaving millions of people dead. (Was it coincidence, prophecy, or part of the plan?) Daily Mail said on January 31, 2020, “Bill Gates predicted a coronavirus-like outbreak - down to it starting at a Chinese market - in the 2019 Netflix documentary show ‘The Next Pandemic.’”<sup>13</sup>

Last fall- October 18, 2019, there was a Pandemic Exercise called Event 201, at Johns Hopkins University. The exercise was conducted by the Bill and Melinda Gates Foundation, the World Economic Forum, and the Michael Bloomberg School of Public Health at Johns Hopkins University. The Pandemic Simulation predicted that the Coronavirus would have the same kill rate as the Spanish Flu of 1918, which caused millions of deaths during an 18 month period. Dr. George Fu Gao, a Chinese virologist and Director of the Chinese CDC (Centers for Disease Control), was involved in the simulation. So, the coronavirus was predicted last year in October, but was not even known to exist. It was first detected in Wuhan, China, when they reported a “pneumonia of unknown cause” to the WHO on December 31<sup>st</sup>. The virus was not named until February 11, 2020, named by the International Committee on Taxonomy of Viruses.<sup>14</sup>

At the Same Time - October 18-27, 2019, Military World Games (an international military sports event) were being conducted in Wuhan, China, with 10,00 athletes, including 300 from the U.S.<sup>15</sup> Two months later, Jan 7, 2020, China reported the coronavirus outbreak in Wuhan, at which time they isolated and identified the new virus.<sup>16</sup>

On January 21-24, the 2020 Annual World Economic Forum met in Davos, Switzerland. At that meeting, Bill Gates and CEPI announced a coronavirus COVID 19 vaccine program, with partnerships including Inovio and Moderna, and the U.S. National Institute for Allergy and Infectious Disease, which is led by Dr Tony Fauci (fau’ che).<sup>17</sup>

Dr. Fauci, Chief Medical Advisor to President Trump, wrote in the New England Journal of Medicine, March 31, 2020, that covid19 “may turn out to be like a bad flu season.”<sup>18</sup> But he told the American people that the mortality rate of the coronavirus is may be “ten times worse” than seasonal flu, and may kill two million Americans if we do nothing, or 200,000 Americans even if we shut down the country and shelter in place. It may take 12-18 months to develop a vaccine.<sup>19</sup>

Where did Dr. Fauci get those numbers? He got them from the University of Washington’s Institute for Health Metrics and Evaluation, which, by the way, is funded by the Bill & Melinda Gates Foundation.<sup>20</sup>

On January 24, the House of Representatives began drafting the HR748 Coronavirus Stimulus Bill.<sup>21</sup> On January 30, the U.N. WHO officially launched a Worldwide Public Health Emergency for the “novel” coronavirus, even though at that time, there were only 150 confirmed cases in the world, with the first reported death on January 9, in China. By the way, “novel” means “newly discovered.” In other words, this Covid-19 is brand new, never seen before. So, where did it come from?<sup>22</sup> On January 31, Pres. Trump ordered a Travel Ban on anybody arriving from China.<sup>23</sup>

On February 4, the CDC decided not to use the WHO Virus Test Kits, and produced their own. The CDC Tests were defective, and actually gave some people the virus. The CDC got new tests out by the end of February, but they were taking 1-2 weeks to get results. CNBC said on April 20, “Coronavirus tests were delayed by contamination at CDC lab, report says.”<sup>24</sup>

The CDC website gives covid19 test instructions which say, “Positive (test) results are indicative of active infection with 2019-nCoV (CDC name for covid19) but do NOT rule out bacterial infections or co-infection with other viruses. The agent detected may not be the definite cause of disease. Laboratories...are required to report all positive results” to CDC. This information is on page 2 of the CDC 46-page coronavirus testing instructions.<sup>25</sup> The same verbatim information is repeated on pages 37, 47, and 49, so they must deem it to be very important. Thus, a patient may actually be sick with seasonal flu or pneumonia, etc., but if the test is positive for any virus, it must be reported to CDC as a covid19 case. That is certainly one quick way to rev up the case numbers and get government involvement.

On February 5, President Trump was acquitted of all impeachment charges.<sup>26</sup>

On March 11, WHO officially declared the COVID-19 to be a global pandemic.<sup>27</sup> On March 14, AP announced that volunteers in Seattle were given the Covid 19 vaccine, produced by Moderna and approved by Dr Fauci.<sup>28</sup> Wait a minute - that is less than two months after Dr. Fauci said it would take at least 12-18 months to get a vaccine ready for trials.

On March 13, President Trump declared a State of Emergency in the U.S. for COVID-19, and Social Distancing began - six feet apart, and no meetings with over ten People.<sup>29</sup>

On March 31, Bill Gates wrote an article in the Washington Post saying the U.S. missed the opportunity to get ahead of the coronavirus. He said NOW we need to SHUT DOWN the U.S. economy for ten weeks. The article was titled, “Here’s how to make up for lost time on COVID-19.”<sup>30</sup>

A week earlier, on Mar. 26, Gates did a TED talk interview (TED Talks deal with “ideas worth spreading”<sup>31</sup>

A week earlier, on Republic Broadcasting Network, where he said that “once the people of the world learn to trust SCIENCE to solve a pandemic, maybe they’ll learn to trust SCIENCE to solve CLIMATE CHANGE.”<sup>32</sup> That is Gate’s biggy, global warming. (Check out God’s opinion of science, I Tim. 6:20.)

OK, let’s talk about WHO DONE IT? Where did COVID-19 Originate? Chinese leaders say the U.S. military who attended the World Games in Wuhan released the virus as a bio-weapon against China. American leaders are calling it the “Wuhan” virus and saying that the Chinese released it out of their virology lab in Wuhan to infect the world. Just like with the 1918 pandemic, we will probably never know the real truth.

Regardless of where the virus came from, COVID19 is a manufactured crisis. I am not saying people do not get sick, or even die from it. I am saying the government and the media have way over-hyped it. According to the CDC, in an average year in the U.S., there will be as many as 39 million cases of flu, and as many as 30-60 thousand deaths.<sup>33</sup> Yet, nobody panics and nothing shuts down.

But for some reason, the powers that be decided to almost completely shut down America over COVID 19, almost destroying our whole economy and increasing national debt by several trillion dollars. (Absolutely brilliant for the globalist’s agenda.)

CDC now reports 1.5 million confirmed cases in the U.S. and 91,000 deaths as of May 19th, “confirmed” being based on their defective tests and on bloated numbers, as we noted above from their test instructions. Another quick way to increase the number of cases is to simply “double” the numbers, as was done in England - Headline, “England Falsifies COVID Data: More than A Hundred Thousand Coronavirus Tests were ‘Double-counted.’”<sup>34</sup>

I was told of a five-year-old who was confined home from kindergarten. Somehow, the child was accidentally killed in his home. The CDC counted it as a coronavirus death, because had it not been for the virus shut down, the child would have been in his kindergarten class and would not have died. Consequently, the death was directly because of the virus. How true this may be, I do not know, but realizing the stupidity of the powers that be, I would not put it past them. When any people turn from God, they are left with NO wisdom, no common sense.

A pastor personally known and trusted by myself has several hospital workers in his church. They tell him that the media is highly exaggerating the numbers, as they have seen few coronavirus patients in their hospitals. This is in the “little town” of Chattanooga (180,000 population, in a county of 336,000). A nurse who worked in a New York City hospital quit her job because she said they were letting elderly patients die of the virus. She claimed they put patients on ventilators who did not need to be on them. Plausible, since the hospital receive more money when ventilators are used.<sup>35</sup>

We are being systematically deceived and manipulated. The question is WHY are we being deceived and where are we going with this? According to Daniel and Paul, this “mystery of iniquity” is already at work. People are being deceived by Satan. Right before our eyes, he is changing Christian customs, culture, traditions, and laws (remember Daniel 7:25 we discussed) - to prepare the way for the antichrist. We have seen lots of changes in the last few weeks.

Former mayor of Chicago and former Whitehouse Chief of Staff under President Obama, Rahm Emanuel (a Jew) said, “You never want a serious crisis to go to waste.”<sup>36</sup> He said that October 30, 2012, but repeated it on March 24, 2020, when discussing the coronavirus, saying, “...make sure this crisis doesn’t go to waste.”<sup>37</sup>

We have watched our leaders transform COVID19 from being just another virus into a crisis, an epidemic, a public health emergency, a global pandemic. Again, I am not belittling the seriousness of it, but that being the case, stop and think of all the changes we have ACCEPTED in two months, without so much as a grunt. Remember, the antichrist is going to “CHANGE times and laws.” (See Proverbs 24:21.)

Think about the power of the press. Five corporations control 90% of our media, and they have the ability to put everybody in a panic, overnight. They are CNN -Time/Warner; ABC- Disney, FOX- NewsCorp, CBS-Viacom, and NBC- Comcast.<sup>38</sup> They bring on “experts,” who convince people to give up their liberty, and if we do not, we are all going to die. They bring on globalist experts who explain that global problems require global solutions. In other words, they let us simpletons who do not understand the big picture know that the world is TOO complicated for national solutions, so we need a strong One World government. They bring on experts who tell us we need to quit being ignorant and listen to SCIENCE.

The six foot Social Distancing between individuals, no gatherings larger than ten people, and order people off the streets and confined to their homes – it is all a trial run for martial law. And most Americans have voluntarily SUBMITTED, without a peep. And so it will be when the antichrist takes over. He will say (Isa. 10:13-14), “...I have removed the bounds of the people (globalism, no national borders), and have robbed their treasures (taken control of all wealth), and I have put down the inhabitants like a valiant man (no opposition): (14) And my hand hath found as a nest the riches of the people: and as one gathereth eggs that are left, have I gathered all the earth; and there was NONE that moved the wing, or opened the mouth, or peeped.

Just in case there might be a problem with citizen co-operation, governors ordered police, deputized government workers, and deployed national guard units - just in case people get tired of this. (We have already seen quite a bit of evidence of citizen unrest.) And just in case the people start rumors of a Soviet style police state, the governor of Georgia set up a telephone hotline so people can squeal on those who are NOT complying with the orders.<sup>39</sup>

The plan is to destroy the capitalist economy, to open the door for a world government. By the way, to destroy capitalism, the middle class must first be destroyed. There is no middle class in socialism, communism, fascism, or Nazism. Following social distancing guidelines, the stock market dropped some 10,000 points and people’s retirement savings went down the drain. Now, the market did come back up, but remember, this is just a trial run. When the real shutdown happens, the market will not recover, and the middle class will cease to exist.

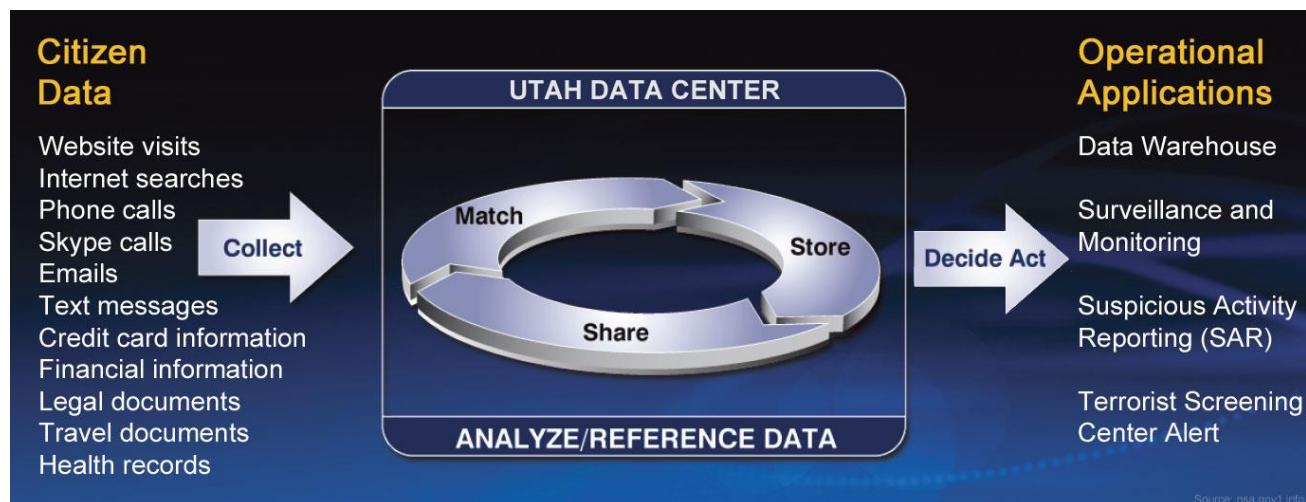

In this “crisis,” we have watched the government take charge of the “Means of Production,” which is the classic definition of socialism. Karl Marx said that “workers could be liberated from this experience by seizing the means of production.” (The “means of production” refers to everything involved in production: raw materials, facilities, machinery, labor, etc. In other words, the workers take over the factory, ending capitalism, resulting in collective ownership, which is communism.)<sup>40</sup>

In this crisis, the government is using Executive Orders and loans and grants to pick which businesses will win and which ones will lose. That is, which will survive the crisis and continue in business. During the shutdown, “36.5 million people have filed for jobless benefits.” And business bankruptcy filings have increased 26% over last year. J.C. Penney and many other retailers are among the casualties.<sup>41</sup>

The overall process makes the church irrelevant, being categorized among the non-essential businesses. Pastors were not allowed to visit their sick members in hospitals or nursing homes. The Christian tradition of handshaking with the “right hand of fellowship” (Gal. 2:9) was forbidden (changing customs and laws). Churches were not allowed to assemble, in direct violation of the First Amendment to the Constitution on two counts: the right of freedom of assembly and the right of freedom of religion. The First Amendment reads thusly: “Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.” For the government to restrict church assembly is also a direct violation of Scripture (Heb. 10:25), for Christians are not to forsake the assembling of themselves together.

So, sermons and Sunday school classes were forced on-line. And just what is wrong with that? Only the fact that all of our words are being saved and stored in the National Security Agency’s NEW and HUGE \$1.2billion Data Center in UTAH.<sup>42</sup> That information will be OK as long as we have a government that is OK with Christianity. But what if the New World Government is more like China? Our very words will be used against us. The NSA Data Center can hold and process five zettabytes of information.

(A zettabyte is 10 to the 21<sup>st</sup> power, equal to a trillion gigabytes; a gigabyte equals a thousand megabytes; a megabyte is equal to about 500 pages of typed text; so a gigabyte is about 500 thousand pages of text; a zettabyte then would hold around 500 trillion pages of text; therefore, five zettabytes is an astounding 2,500 trillion pages, or some 16 billion volumes; by comparison, the Library of Congress has 16 million books, so NSA will have a thousand times more information on its U.S. citizens than the Library of Congress could hold.) Here is what they will collect.<sup>43</sup>

And NOW, the government is offering free money to churches through grants. Never mind that using taxpayer money to prop up churches that are in debt is another violation of the First Amendment of the Constitution. And never mind that with the shekels comes the shackles. Whoever takes government money is also taking government regulations.<sup>44</sup>

One of the globalists dreams is a cashless society - get rid of cash, use digital currency to be able to monitor and control the flow of money around the world. Korea pulled in their cash to sanitize it because the WHO said that cash is crawling with coronavirus. They are requiring people to buy using credit cards or Iphones.<sup>45</sup> Their banks are no longer accepting cash deposits or withdrawals. Sweden, China, Canada, Denmark, etc., are going more and more cashless.

Pelosi's Coronavirus Relief House Bill called for using Digital Dollars to give Americans their relief money. Digital dollars, or bitcoins, are defined as “a debt notation on a centralized ledger maintained by the Federal Reserve.” “A centralized database (run by the Fed or another entity) would securely TRACK consumer and business BALANCES, and people could access funds through digital dollar wallets, which would also be MANAGED by the Fed.” (emphasis added)<sup>46</sup> The Democrat House Bill did not pass, and the Republican Senate Bill did not have Digital Dollars in it. But the Senate Subcommittee on Banking is working out the details of how to give Americans digital money rather than cash.

Speaking of the government giving out money, one of the goals of this New World Order is Universal Basic Income, where everyone works for goods rather than money. The government decides what people need and gives it to them. Norway is doing that now. For example, if someone needs a vehicle, the government decides what they need and gives it to them. (This recently happened to a friend living in Norway. He needed a vehicle and had to apply to the government for it.) Giving every adult \$1200 and \$500 per child is a good test run for that. According to Bloomberg News, April 5, 2020, Spain is using the coronavirus crisis to roll out a universal basic Income system.<sup>47</sup>

When President Trump signed the \$2 trillion Relief bill, he said that the final cost of these programs would probably be around \$6 trillion. Free money may sound good to people in this crisis, but the only thing really free on the planet is salvation; somebody's gotta pay for it. (Guess who?!) By the time of the November Presidential Elections, our national debt could be as much as \$30 trillion. The interest on that debt in the Federal Budget goes to empower international bankers.<sup>48</sup>

Here is another change taking place that nobody notices. On December 23, 2019, Scientific American Magazine reported that the Bill and Melinda Gates Foundation and MIT (Massachusetts Institute of Technology) had developed a Biometric Tattoo where a “nano-chip” can be injected into a person’s forearm at the same time he is vaccinated. (Then it can be done without the recipient’s knowledge.) From that implanted chip, one’s arm can be scanned to reveal his identity, his vaccinations, even his medical records.

A nano-chip is 7 nanometres. (A nanometre is one-millionth of a millemeter.) By comparison, a microscopic red blood cell is 6-8,000 nm in diameter, so a red blood cell is about a thousand times larger than a nano-chip. A human hair is about 80,000 nm wide.

This Biometric Tattoo Program is part of a bigger plan called ID2020, that was announced at the World Economic Forum in DAVOS. It is sponsored by Bill Gates Foundation, the Rockefeller Foundation, and other billionaires. A Scientific American article said technology embeds immunization records into a child’s skin.<sup>49</sup> It seems that some countries are planning on making the coronavirus vaccine mandatory, which could easily accommodate the nano-chip.

The people pushing this chip are promoting it as being a special tool to help POOR children in undeveloped countries, where in a crisis they may not have papers, so the chip would give medical information needed to help them. (Has the reader noticed that in order to gain public attention and acceptance, tear-jerking methods are often used?!) They also say these biometric tattoos would be a great screening tool for people at airports, border crossings, schools, healthcare facilities, government buildings, etc. (Just what we need: another avenue for big brother to snoop on everybody.)

All this has been going on a long time, so there will be no political stopping it. The question is not, “What can WE do?” But, “What will YOU do?”

If this Coronavirus makes a second or third wave around the world (like “experts” are predicting), and Bill Gates’ vaccines are ready, and they offer you the vaccine, but with the stipulation that in order to get the vaccine, you have to receive the Biometric Tattoo - will you do it?

But later on, when it is NOT just about a vaccine, when you will be required to swear allegiance and be willing to worship The Exalted Leader of the United Nations, and to PROVE your loyalty to the U.N., you must receive a Biometric Tattoo, which will authorize you to buy, or sell, or travel, or get healthcare, etc. (Rev 13), WHAT THEN?

Yes, I know when the antichrist's mark is given, we Christians will be gone, but do not say that what Gates and his crew are proposing cannot happen before the rapture. In ancient Rome, under the Roman Caesar Domitian, people were forced to offer a sacrifice of incense (just a little pinch; a little bit won't hurt, right?) to Caesar and say, "Caesar is lord." And Christians who refused and said, "Jesus is Lord," were fed to the Lions.

Is the coronavirus a sign of the end of the age? I do not know about that, but I do know that we are 2000 years closer to the end than when Paul wrote about it in II Thessalonians chapter 2.

Here is what we need to do for what lies ahead - Ephesians 6:13, "Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand." And keep standing for the Lord until Jesus comes. As the old hymn states, "Stand up, stand up, for Jesus."

Are you saved, dear reader? Are you alert? Do you have "understanding of the times" (I Chron. 12:32)? Are you paying attention to what is going on in the our world? Are you putting on the whole armor of God every day? Are you staying in the Word of God, praying always (Eph. 6:18) for wisdom and strength to stand "for the faith which was once delivered unto the saints" (Jude 3)? Are you prepared for yourself and your family for what is coming, probably in the very near future? Remember Paul's warning, "the mystery of iniquity" is ALREADY AT WORK.

## ENDNOTES

Readers are advised to check the validity of information in this paper for themselves, as the internet is full of information (and misinformation) on these subjects. Also, this writer believes in giving credit where credit is due (Rom. 13:7). I am indebted to two other pastors for some of the information contained herein.
