

- ✓ Do you have a developmental or intellectual disability?
- ✓ Do you have a mental health condition?
- ✓ Are you 18-35?
- ✓ Do you want to talk about work?

We are doing **interviews** with young adults with intellectual/developmental disabilities and mental health conditions to learn about their experiences getting the accommodations they need at work.

- How do you decide what to tell people at work about your disability?
- What helps you do your job?

You are the expert! Your ideas are important!

What will happen during the interview?

- The interview will be 45 minutes-1.5 hours long.
 - You will use video chat to do the interview.
- You will talk with a researcher about your experiences.
- You will talk about what you told people at work about your disability.
- You will talk about accommodations that help you at work.
- Everything you say is private.
- \$20 “thank you” gift card.
