

North Carolina Down Syndrome Alliance (NCDSA) is able to provide programs and services to individuals with Down syndrome and their families across the state of North Carolina with the help of our essential volunteers. NCDSA offers a variety of opportunities to volunteer throughout the year, including special event support, virtual programming, social events, and more. Please review the list of current opportunities and follow the link to volunteer. Thank you for your continued support!

Virtual – Help out from the comfort of your home!

[Sign up to be a Virtual Volunteer](#)

- Virtual Event Host
 - Options for our families to keep engaged during social distancing
