DEDICATED TO THE HUNT SINCE 1985

The majority of our guests are repeat guests, some for over 25 years. We are confident that if you try the Flying B experience, that you will come back again and again. We know what makes for exceptional hunting and we listen to our guests. We operate on an inclusive basis meaning that there are no surprises when you get here and especially not on departure. Hunt areas offer stunning views of majestic Idaho landscape. We are dedicated to the quality of our hunts and the service provided by our team. We are authentic and upscale, but not uptight.

Season Dates: April 1 - June 30

Hunting black bear from the lodge, backcountry, and wilderness on our exclusively outfitter permitted 740,000 acres of National Forest lands.

Rates dependent upon guide ratio. Bear hunting may be combined with turkey hunting, chinook salmon fishing and various retreat activities.
