TRANSPORTATION INFORMATION

The Marriott Downtown Hotel and Grace & Holy Trinity Cathedral are located in downtown Kansas City, Missouri. They can be reached by both I-35 (north and south) and I-70 (east and west) which intersect less than a mile away.

Kansas City International Airport (MCI) is located 23 miles north of the downtown area — about a 30 minute drive.

Transportation from and to the airport can be arranged through SuperShuttle.com. Ride share services — Uber and Lyft — are also available.

The AmTrak train station is located just a 5 minute Uber/Lyft ride from the hotel.

The hotel is a walkable three blocks from the Cathedral. However, if transportation is needed, a shuttle will be provided in the morning and after the evening programs.
