Rhode Island Department of Health and Cannabis Office Announcement

Issue Date: November 10, 2026

Quality Assurance Testing Program Public Feedback

The Rhode Island Cannabis Control Commission ("CCC") and the Rhode Island Department of Health ("RIDOH") appreciate the comments, feedback and requests that cannabis establishments, including licensed cultivators and licensed testing labs have submitted thus far regarding the Quality Assurance Testing Program. At this point in time, the CCC and RIDOH will finish this current round of Phase 1 of the Quality Assurance Testing Program as outlined in the Cannabis Office Bulletin 2026-5 issued on June 30, 2026. Upon completion of this first round of Phase 1, the CCC and RIDOH will consider all comments, feedback and requests already submitted and will announce a discrete window of time to allow for any new comments, feedback or requests. Any adopted changes will be reflected in an amended Bulletin. Thank you.
