

BUILDING RESILIENT RANCHES

Workshop & Project Rollout

The Feed Store | 148 S Jacobs St, Albany, TX
February 20, 2025 @ 4:00 PM

Texas GLC and Texas A&M Center for Grazinglands & Ranch Management have launched an exciting program: The Resilient Ranch Network supports ranching operations through grazing management strategies, and monitoring forage quantity and quality, leading to positive financial outcomes. Dinner will be provided and the workshop will wrap at 8:00 PM. This program is available to ranchers in the Southern Rolling Plains, Cross Timbers, and the Northern Prairies.

Project participants will receive:

- TXGLC technical assistance
- Grazing management plans
- Rangeland monitoring: metrics that matter
- Ranching for Profit two-day school
- Travel compensation
- Stipend
- Regional coalition support
