#### **the value of a college tour**

Welcome to one of the most exciting searches of your life. Finding the school that's right for you can be a wild ride -- a mix of fun, adventure and a bit of fear thrown in for good measure. One way to replace the fear with all fun is by starting with a college tour. These tours are designed to help you get a feel for the type of school that best fits your needs, wants and personality.

#### **what to do before you go**

Before your tour, take the time to do some research. Visit each school's website and explore academic programs, athletics, housing, admissions requirements, scholarship and financial aid opportunities, and more. Take a virtual tour of the campus and create a list of questions to ask while you're there.
