Solutions in Motion™ Knee Course

Technique, Implant, Technology

Saturday, August 15, 2026

Science Care - Aurora, CO

19301 E. 23rd Ave
Aurora, CO 80011

8:00am – 3:00pm MT

This course is designed for orthopaedic surgeons interested in advancing their collective knowledge on emerging techniques and technologies for patient-centric solutions in knee arthroplasty. The program will showcase the ATTUNE™ Knee + VELYS™ Robotic-Assisted Solution, highlighting specific kinematic philosophies, as well as the ATTUNE™ Revision Knee System with a focus on ATTUNE™ Hinge. The agenda will provide ample time for both interactive discussion with highly experienced faculty and hands-on training.
