

# Student Affairs Newsletter

SUMMER 2023

**Dr. Janna Bredeson**  
Associate Vice President of  
Student Affairs and Dean of  
Students

## Message from the Associate Vice President of Student Affairs/Dean of Students

With the reorganization structure of Life University, we are excited to offer more collaborative events and increased services with more efficiency. Please look for the “Donuts with the Dean” event coming up in the near future, so I can hear all your ideas about how we can better serve you on campus.

I look forward to getting to know each and everyone of you. Please feel free to contact me at [DeanofStudents@life.edu](mailto:DeanofStudents@life.edu). My number one priority is to help make the student experience at Life U a powerful and enriching one.

**Student Affairs hosted an outdoor fun course  
for students to get out of the classroom:  
Ninja Event!**

# Club Day | Thursday Week 1

Thanks to all the student clubs for helping make this a great event! We had about **340** students enjoy Aloha Ice during our summer event with **50** student clubs having a table.

Number of total student clubs and organizations

21

New, reactivated and in-process clubs from Winter 2023 through Spring 2023

62

## Partnership with Life U

Coming soon, international students will be able to make payments and receive refunds across 180+ countries and 135+ currencies in as little as 24 hours. International students can make payments through a simple four-step process directly in their local currency via multiple payment options with access to 24/7 multilingual customer support.

International students can lock in guaranteed currency exchange rates at a fraction of the traditional bank rates.

Family members and others from your home country can make secure tuition payments on your behalf.

**All of these benefits and more in a secure, convenient link, directly added to your EagleNet account with no hidden fees. Look for more information and the official partnership launch with PayMyTuition soon!**
