

A Context

for former mainline congregations in the 21st century

Presenter Rev. Nayiri Karjian

Monday, May 6, 2019 • 9:30 am - 3:00 pm

Camp Christian
10299 Maple Dell Rd, Marysville, OH 43040

The landscape of ministry in the local setting continues to change dramatically with increased pace. This phenomenon has roots in a larger context of the Church as well as in centuries of tradition and history.

The gathering will provide a perspective about the larger context of the Church, especially in relation to former mainline congregations. It will explore shifts in society and culture that influence the congregations we serve; shifts in church culture and its implications on ministry in the 21st century as we strive to remain faithful to the Gospel and relevant to the world in which we live.
