

Busy:

Reconnecting with an Unhurried God

Join us for a two day retreat inspired by the work of Marcia McFee and her colleagues at WorshipDesignStudio.com. Participation in the worship series of the same name is not required to participate in this event.

Enjoy an opportunity to participate in the *National Day of Unplugging* as it inspires us to slow down our lives and let go of the things that distract us from our family, friends and our relationship with the Holy.

This retreat is **FREE** with lunch provided on Saturday (donation requested, but not required).

March 1, 6PM-8PM and

March 2, 10AM-6PM
