You are invited to join the Living Water Association on a journey of shared learning and mutual knowledge, led by Michael Anthony Howard, Minister of Faith in Action.

This summer, we will gather on Zoom four Sunday evenings for discussions.

For those who want to dig in, Ibram X. Kendi's "adult" version is deeply researched and fast-moving. It is also 608 pages. Jason Reynolds' *Remix* version is more accessible for "younger" or less engaged readers. For our discussions, either version will suffice.
