

CAN FUNDRAISING BE MINISTRY?

CAN STEWARDSHIP BE SPIRITUAL?

The Seminar offers an opportunity for pastors and lay leaders to explore faithful, practical, and tested ways to promote generosity in our congregations.

We will draw on current research, seek guidance from the wisdom of scripture, and discuss the best practices in church-based fundraising.

Pastors and leaders participating in this program will be equipped to lead an effective stewardship campaign and, more broadly, help their congregation reclaim generosity as a spiritual practice.
