A card for "Example Church" is displayed, containing the address "999 Example Church Ln, Example Valley, TX 99999", the year "2023 Yearbook", and a "View/Edit" link. A button "+ Add Another Church" is located below the card. At the bottom of the page, there is a help link "For help with the UCC Database and Directories, please contact profiles@ucc.org." and a "Privacy - Terms" link.

Your church will be automatically added to your Personal Profile but may not appear on the Home page at first. If it does not appear automatically, you can find it by clicking on the Records tab. Your church(es) will be the only record(s) under the Records tab.

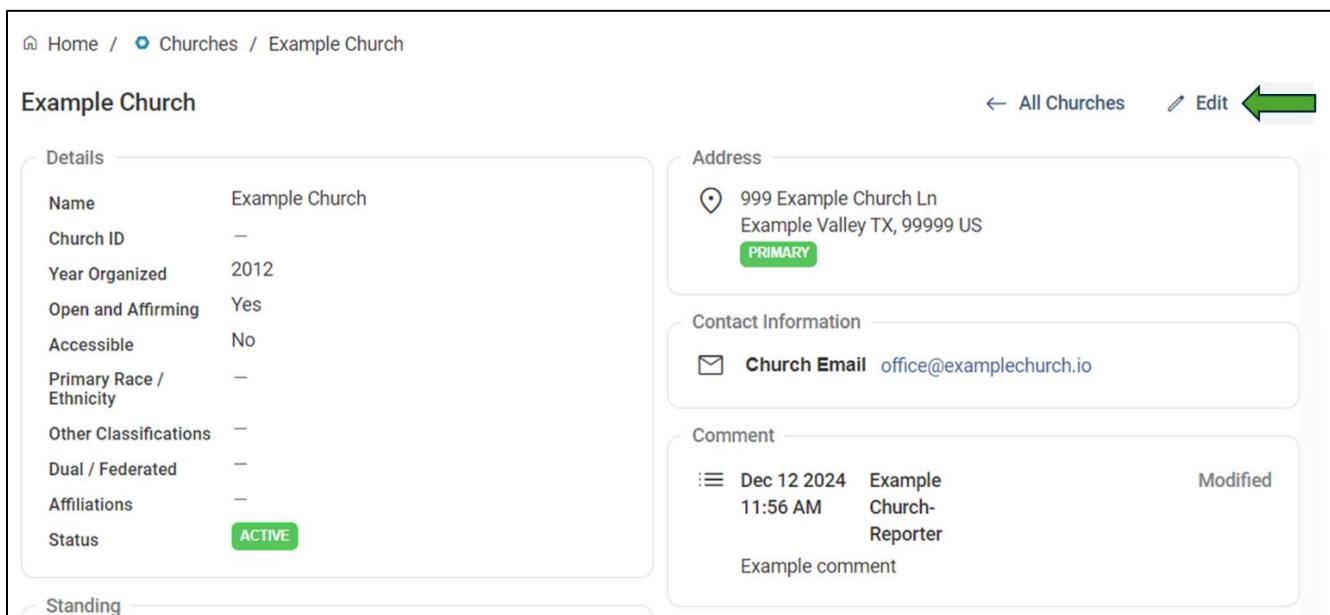

The screenshot shows the CDM+ Engage Records page for "Church". The top navigation bar includes "Home" and "Records". The "Records" tab is active. Below the table, a message says "All results fetched". At the bottom, there is a help link "For help with the UCC Database and Directories, please contact profiles@ucc.org." and a "Privacy - Terms" link. The footer contains the text "Local Church Ministries – A Covenanted Ministry of the United Church of Christ", the address "1300 E 9th Street, Suite 1100 Cleveland, OH 44114", the website "https://www.ucc.org", and the CDM+ Engage logo.

Attendance

- This section includes fields for Average Weekly Worship Attendance, Community Engagement, Participants in Mission/Immersion/Service trips, Virtual Worship, Youth Programs, and Christian Education/Faith Formation. To help ensure the precision and accuracy of our records, we have divided the attendance category into in-person and several forms of virtual attendance.

- *Average Weekly Worship Attendance (i.e., In-Person Worship)* is the average number of individuals attending services at the church building
 - To log these values, follow the same procedures as were used for membership
 - Below weekly worship attendance, you will also find fields for community engagement, total church participants, and mission/immersion/service. These should be filled out in the same manner.
 - If you have questions about Church Participants and Community Engagement please see the “Guide to Yearbook Community Engagement and Total Church Participants Categories” posted on the [Yearbook webpage](#).

- *Virtual Worship* includes the average number of views, listeners, or devices logged per service, depending on the platform. To accommodate differences in the way worship attendance is tracked across platforms, we have divided virtual worship into 5 sub-categories. *These categories will not appear unless the checkbox for “Does Your Church Hold Virtual Worship Services” is checked.*
 - Video-conferencing platforms such as Zoom or Skype, which log **devices**
 - Video hosting platforms such as YouTube, Boxcast, and Vimeo, which log **views**
 - Multi-stream platforms such as Restream or Streamyard, which log **viewers**
 - Audio platforms such as podcasts, radio broadcasts, or a 1-800 number, which log **listeners**
 - Social media platforms such as Facebook Live, which log **views**

- To log virtual attendance, click the checkbox next to the category of attendance you would like to report and enter the corresponding number of devices, views, viewers, or listeners *estimated* for that category.
- When calculating averages, please include only those weeks where worship was conducted in the form indicated (in-person, video-hosted, etc.). If services were put on social media for only half of the year, for instance, then the average social media views should be calculated only for that half of the year and not for the full year.
- Youth Programs and Faith Formation
 - To report participation in youth programs or Christian education/faith formation, follow the same steps as virtual attendance, clicking the box next to the relevant category and entering relevant participation numbers below

Notes:

- 5 for 5 can not be manually changed. This designation is a function of the data hub and is automatically checked once there is a dollar value entered in all five fields of "Special Offerings".
- [Additional UCC Giving Guide](#)

Special Notes

- ❖ Southern New England Conference churches should NOT include their Proportional Gifts as Additional UCC Giving (previously Other UCC Giving). Your Conference will report Proportional Gifts in the Basic Support Giving column. Since it is shared with the National Setting, it is analogous to Basic Support for this report.
- ❖ New York Conference Reformed Association churches should NOT report your Assessment as Additional UCC Giving (previously Other UCC Giving). Your Conference will be reporting this giving on your behalf.

Ministerial Support

- **Start with “Choose Categories”.** Select **all** the positions that you want to report financial support for in your congregation.
- If you have additional ministers of a given type (e.g., co-pastors), go to the dropdown labelled “New Category” and select the category you would like to report multiple of. Once you have selected, it should appear on the screen with a number next to it (e.g., co-pastor 2). Repeat this process as needed until the number of positions matches the number you would like to report.

- From here, you will be asked to enter allowances and expenses for each person. This section operates very similarly to the *Membership* section, with dollar values being entered for each category. Please be sure to indicate if this is a full-time position.
- All data provided in this report should be annualized. If your church only had a pastor for part of the year, the compensation should be computed on an annual basis. This will ensure we can compare across churches. **This is not an actual accounting of the amount your church paid, but rather what the church would have paid for this position for an entire year.**
- This data is only used in providing summary reports of average compensation packages of numerous churches. Your church's ministerial support data will not be released.
- All actual staff and ministerial compensation should also be included in your Operating Expenses reported on the *Finance* tab.

Congregational Engagement

- This section is new with the updated database and is meant to reflect aspects of our churches' work and missions not captured by attendance, membership, or other measures. The questions pertain to building ownership/usage and volunteer activities in and around the church.

The screenshot shows a web-based form for the 2024 Yearbook Report. On the left, a sidebar lists categories: Membership (green circle), Attendance (green circle), Finance, Ministerial Support, Choose Categories, and Congregational Engagement (blue circle with a circled 1). The main area is titled 'Engagement' with a dropdown arrow. It contains the following questions:

- Does Your Church Own Your Building?** (2023: -, 2024: YES NO)
- How Many Outside Organizations Regularly Use Your Church Building?** (2023: -, 2024: 0)
- How Many Community Members Would You Estimate Volunteer At Your Church?** (2023: -, 2024: 0)
- How many of your church members would you estimate:** (2023: -, 2024: 0)
 - Volunteer At The Church** (The number of church members who routinely volunteer at church events or functions (serving meals, teaching Christian Education classes, driving members to appointments, setting up the church for worship services, etc.))
 - Volunteer In The Community** (The number of church members who routinely volunteer for non-church community events or organizations (at a local food pantry, leading a scout troop, etc.))

At the bottom are three buttons: 'Save and Quit' (blue), 'Save and Go Back' (gray), and 'Save and Submit' (green).

Supplemental Survey

- To better understand the congregations we serve and to help us plan future research projects, we ask churches to answer a few additional questions on the annual Supplemental Survey.
- The Survey can be found at https://www.surveymonkey.com/r/2025_supplemental_survey_YB.
- The questions on the Supplemental Survey are also at the end of these instructions.
- The survey is brief and should take less than ten minutes to complete.

Incentives

- This year we are offering several incentives for churches that submit **both** their annual Yearbook data and answer the supplemental research questions. Every church that responds to both will be entered into a random drawing for one of several prizes (40 prizes in all). If your church is selected, we will send an email to the email address noted in the database. Please be sure to respond to us if you receive an email.

The following prizes will be awarded:

- \$100 UCC Resources Gift Card – 5 gift cards will be awarded
- One-year free subscription to Access UCC (online Yearbook and Directory) – 10 subscriptions will be awarded
- 2024 Yearbook and Directory – 10 books will be awarded
- Statistical Profile – 15 will be awarded

REMINDERS

- The [Data Hub Church Field Guide](#), also posted on the [Yearbook webpage](#) provides descriptions of most of the data you will be entering. Refer to this as needed.
- Change your password immediately. Make a note of your updated password.
- Use only USPS-approved abbreviations in addresses.
- All questions, concerns, or comments should be directed to your Conference or Association.
- All inaccurate data should be reported to your Conference or Association for correction.
- A Data Hub Reporting Guide is provided at the end of this document to assist you in gathering data before submitting it. Please print this to assist you in gathering your data.
- Please report any errors to your Conference in the manner they asked to be notified.
- Explanatory notes may be found next to data entry fields in the Data Hub. You can also find the [Data Hub Church Field Guide](#) and on the [Yearbook webpage](#).
- Please feel free to reach out for assistance if your Conference or Association is unavailable to assist you.
