

Bulk Trash/Dumpsters

Residents are NOT permitted to use any other dumpsters except those located by the Self-Help building.

There are other dumpsters, located throughout the community, that belong to WPAFB buildings or PWF contracted vendors and are strictly OFF LIMITS.

All bulk or excess items (outside of normal household trash) must be taken to the long roll-off dumpster at the maintenance complex by the Self-Help store. **Please note that all upholstered items must be completely wrapped and sealed in plastic. This includes chairs with padded seats.**

Residents must visit the Self-Help Store to check in before using the dumpsters. You will need to present an ID and/or proof of residency. If the gates are closed, the dumpsters are full and you will need to check back in at a later day/time to see if they have been emptied. If you are moving soon, do not wait until the last few days seeking use of the dumpsters.

If you prefer a bulk pickup, you can call the Maintenance Department at 937-253-3488 Option 3. **There is a fee for bulk pickup.**

PWF SELF HELP STORE is located at 6931 Chapel Lane in The Prairies! If you have any questions regarding the dumpsters, just ask!
