

# Speed Limit Reminder & School Bus Safety!

THE PROPERTIES AT  
**WRIGHT FIELD**  
★

All streets in The Prairies and The Woods are 15MPH except for Spinning Road, which is 25MPH. Please remind your guests and delivery drivers of the posted speed limits.

During the school year, more children are outside waiting for the bus during certain hours. SLOW DOWN and watch for children playing or gathering near bus stops!

If you are behind the bus, slow down, stay alert, and watch out for children! Leave plenty of room between you and the bus in case they have to do an emergency stop!

Also, watch for kids attempting to cross the street after the bus has started to pull away. Even if you have the right to go, kids don't always pay attention and no one wants a child hurt!

Below is a reminder of when you are required to stop regarding a bus that is stopped with their red flashing lights on.
