

Weekend at the Reservoir Presents How to Certify Your Yard as Jersey-Friendly

**August 22, 2026
9:00 AM to 10:30 AM
Brick Reservoir**

811 Herbertsville Road, Brick, NJ 28724

Create an attractive landscape while supporting a healthy environment with the Jersey-Friendly Yards Resident Program. Join Caroline McFarland of the Barnegat Bay Partnership, Jessica Pinto of the Ocean County Soil Conservation District, and the Rutgers Master Gardeners of Ocean County as they outline how a sustainable landscape lowers costs with using less fertilizer, conserving water, and creating a habitat for wildlife while benefiting the Barnegat Bay and Metedeconk River watersheds. Each participant will receive a free plant to jumpstart their Jersey-Friendly Yard.

This program is free with registration limited to 25 people, so please reserve early by contacting Shari Kondrup at skondrup@brickmua.com or 732-701-4282.

Benefits of becoming a Certified Jersey-Friendly Yard

- ❖ A healthier yard for you, your family, and community.
- ❖ Cost Savings by using low-maintenance land care practices
- ❖ The knowledge that your actions are contributing to cleaner water and a healthier environment.
- ❖ The opportunity to set an example and be an environmental leader in your community.
- ❖ Recognition of your commitment to landscaping for a healthy environment.
