Why choose bluebiz

Blue credits are like cash

It's easy to calculate how many blue credits you earn per ticket. One blue credit equals £1

Free name change

Name change on Air France or KLM tickets (in specific booking classes) is free of charge!

Completely free

Exchange blue credits for the full ticket price including taxes and surcharges, without spending any cash

Compensate CO2*

Use blue credits to offset your client's carbon footprint for flights over the last 12 months.

Personal Benefits

Your company earns blue credits while your travellers also earn miles as Flying Club & Flying Blue members.

Special treatment*

In the unlikely event that a trip doesn't go as planned, your travellers receive priority treatment.

Recognition*

Our staff recognise bluebiz travellers, both on the ground and in the air, to create a seamless travel experience.

Priority*

Enjoy waitlist priority and when an intercontinental flight is fully booked, Air France and KLM will guarantee bluebiz members a seat in Economy Class at a Y-class fare.

It's easy as
