## ACCU Institutions Receive 2024 Uniservitate Global Service-Learning Awards

**Washington, DC**—The Association of Catholic Colleges and Universities (ACCU) is pleased to announce the winners of the 2024 Uniservitate Global Service-Learning Awards for the North American region. These awards, distributed in seven regions globally, are given in recognition of service-learning experiences in Catholic Higher Education. Based on the assertion of the global impact on education through service, the selection of the winning experiences involves a rigorous process with multiple stages and diverse panels of judges.

This year's winning institutions and programs for the North American region are:

- First Prize Winners
  - **Sacred Heart University**: “Uniting Heart Initiative”
  - **St. Catherine University**: “Welcoming the Dear Neighbor”
  
- Honorable Mentions
  - **Emmanuel College**: “Essential Values of Diversity, Multiculturalism, and Social Justice Program”
  - **University of Dayton**: “The Health Equity Fellows”

Organized biennially, first prize award recipients receive a cash award along with the opportunity to participate in the Uniservitate Global Symposium in November in Rome, Italy.
