Dear Chairman Cole, Chairman Womack, Ranking Member DeLauro, and Ranking Member Quigley:

As you draft the upcoming Transportation, Housing and Urban Development, and Related Agencies appropriations bill for FY 2025, I ask that you consider the following requests:

1. Highway 380 Improvement Project for Collin County, Texas, located at 4690 Community Ave, Suite 200, McKinney, Texas, 75071, as a community funding project. This project is a good use of taxpayer funds because a reliable, efficient transportation system is essential to providing adequate mobility for all the County's growth. The project will provide the ability for people and goods to move in and through the County without the congestion that will result from the growth without improvements such as this.

Sincerely,

Keith Self
Member of Congress
