2023 Guest Speaker: Minister Jyhir Jordan

Min. Jyhir Jesse Jordan, a native of Basking Ridge, New Jersey, is a young force to be reckoned with. In his brief 20 years on earth, his efforts and achievements have been prolific in social services and in his ministry. Min. Jordan has dedicated his time to improve social conditions and to inform the community of spiritual disciplines.

A professional headshot of Minister Jyhir Jordan. He is a young Black man with short, curly hair, smiling at the camera. He is wearing a dark grey suit jacket, a white dress shirt, and a dark grey tie with diagonal stripes. The background is a plain, light color.

Inspired by great men and women, Min. Jyhir Jordan has always had an intensifying passion to address and redress issues that have pestered society. In 2017, Min. Jordan became a certified mentor and coordinator for the Juvenile Detention Center of Newark, NJ upon completing verification through the Prison Rape Elimination Act of 2003 (P.R.E.A) training. Then, at the tender age of 16, he began enlightening residents in the Detention Center on social skills, job-preparation, biblical studies, and offering mentoring sessions. In 2020, Min. Jordan organized a program that supplied toiletries for youths who'd been displaced and experienced destitution, at the Covenant House in Newark, NJ.

He also accepted his call to ministry at the age of 16 years old. With much prayer and dedication to his calling, Min. Jordan has seen tremendous growth in ministry and in his spiritual life. By God's faithfulness and guidance, Min. Jordan is currently working on two books, while teaching biblical studies and mental health to people across the country. Most recently, Min. Jordan was elected as a Council Member for the North Jersey District Missionary Baptist Association Youth and Young Adult Council, consisting of over 70 churches. Additionally, he was awarded the Trailblazer Freedom Award from the National Association for the Advancement of Colored People (NAACP). Min. Jordan attends the historic Morehouse College.
