

To whom this may concern,

I am from British Columbia, Canada, looking to relocate. I have worked effectively with children and families in my community on Salt Spring Island, for over 25 years. My experience as a mother, teacher, and family mentor brings a mindful approach to working with young children. I hold a Waldorf Early Childhood Education certificate from the West Coast Institute for Studies in Anthroposophy, here on the west coast. I also received training for Waldorf Grade.

I am interested in a grades, kindergarten, or early years assistant teaching position in an English speaking school anywhere in Europe for the 2017/2018 school year. Please let me know if you can be of help.

Warm regards,  
Carleen Mutch
