

Livingston's Electronics and Paper Shredding Event: Sunday, June 24, 2018

The Township of Livingston is holding an Electronics Recycling and Paper Shredding Event on Sunday, June 24th. Livingston residents may take their electronics and confidential papers to the rear and side parking lots of the Senior/Community Center at 204 Hillside Avenue from 9:00 a.m. to 2:00 p.m.

Under the Township's recycling ordinance and New Jersey state law, it is mandatory to recycle electronic items. They cannot be placed at the curb for collection.

Volunteers from the Recycling and Reclamation Committee and the Livingston High School National Science Honor Society will be on site to help out at the event. To volunteer at this event, contact Karen Garber at 973-650-2282 or email kargarb@verizon.net.

Electronics Recycling

Items to be accepted for electronic and small appliance recycling include computers (residents should erase or remove hard drives if possible), monitors, televisions, flat screens, printers, copiers, fax machines, scanners, speakers, keyboards, laptops, cables, telephones, cell phones (memory should be erased if possible), VCRs, stereos, radios, DVD players, pagers, typewriters, electronic games, inkjet and laser print cartridges, microwave ovens, toasters, irons, vacuum cleaners, and rechargeable batteries.

No Fluorescent Light Bulbs or other Household Hazardous Waste

Paper Shredding – 5 Box Limit Per Livingston Household

Personal paper documents will also be shredded on-site and recycled at the event. All types of confidential paper documents will be accepted for shredding, *except* for the following: hard cover books, three-ring binders, paper clips, pendaflex folders and other fastened documents. Only residential shredding will be accepted.

Early Drop Off for Electronics:

Residents who have electronics (not paper) to recycle, but are unable to attend the Sunday, June 24th event, may take advantage of the "early drop off" offered by the Recycling & Reclamation Committee. Those residents may bring their electronics to Craft Room 1 on the lower level of the Senior/Community Center on Thursday, June 21st from 8:30 a.m. to 10:00 p.m., Friday, June 22nd from 8:30 a.m. – 10:00 p.m., and Saturday, June 23rd from 8:30 a.m. to 5:00 p.m.
