NJSIAA Sportsmanship: Attendance at football games is an exciting time for all those involved. As a spectator, your role at our games, both home and away, require that all Livingston Board of Education and NJSIAA rules and regulations are followed. The NJSIAA Sportsmanship policy is located at the following link: [NJSIAA Sportsmanship PSA](#)

Covid-19 Information: All events will follow the most current guidance from our local health professionals that includes a panel of physicians which our school district is currently working with. It is recommended that all people, including those who are vaccinated, wear a mask in densely populated areas, even outdoors. While it is not mandated, we strongly recommend all spectators distance to the degree possible for the safety and comfort of all in attendance.

Food/Drinks/Bag Policy: Please be reminded that outside food or drinks are NOT permitted to be brought into the stadium during varsity games, however, our snack stand is scheduled to be open and will be selling a variety of food and beverages for purchase. Bags are subject to search and students are not permitted to bring bags with them into the games. Please be advised, that there is a no re-entry policy into varsity football games.

Tobacco/Alcohol/Pets: Please be advised that tobacco products are not permitted at any NJSIAA event. Pets are not permitted on school campuses, except for clearly identified service animals.

Live Streaming Information: This year we are pleased to provide live streaming of our games by the subscription based NFHS Network. This provides an opportunity for Lancer fans who cannot get to the game or have family members or alumni who live out of the area to still follow the Lancers. The link to the livestream video is:
