# Discovery Programs

SPRING 2023 - EARLY CHILDHOOD CENTER

## BALLET

Instructor: Makayla

Our Ballet program is designed to help dancers create a strong foundation for years of self-expression through repetitive movement, ballet vocabulary and exploration.

## COOKING

Instructor: Morah Rosa

Helping kids learn and practice some basic math concepts and build language skills while learning cooking skills.

## GYMNASTICS

Instructor: Makayla

Students will increase their range of motion, stamina, flexibility, balance, and strength by learning to do cartwheels, handstands and many more fun flips!

## OUT OF THE BOX

Instructor: Morah Judy

A loose parts program that helps kids develop creative and critical thinking skills by encouraging them to use their imagination.

## SPANISH

Instructor: Morah Rebecca Levy

Learning Spanish in the early childhood ages can improve a child's academic skills by nurturing listening, memory-retention, and problem-solving skills.

## SPORTS

Instructor: Morah Marni

Exploring different sports while strengthening gross motor skills, refining our balance, muscle endurance and coordination. Encouraging physical literacy.

## STEM

Instructor: Morah Michelle

Doing science projects help develop a child's resourcefulness, particularly their skills at goal setting, planning and problem solving. Plus, it's really fun!

**Please note:** Fees are non-refundable once classes begin.
