Virtual Legislative Forum

The goal of this forum is to provide a discussion space for legislators to be able to speak with local physicians and engage in thoughtful dialogue surrounding legislation that affects the healthcare landscape and patient outcomes.

This virtual event will bring together physicians and lawmakers from the greater Detroit area for introductions and discussions on legislative priorities and partnership opportunities. Representatives from Michigan State Medical Society, Oakland County Medical Society, and Wayne County Medical Society will be in attendance.

The agenda for the morning:

- Ask the Physicians! Legislators are welcome to bring their questions regarding the legislation listed below for our physicians in attendance.
- Forum of Current Legislation, led by our Michigan State Medical Society Government Relations Team
 - Prior Authorization Reform Passage – [Public Act 60'22](#)
 - Scope of Practice – [Senate Bill 680 \(MSMS Engage\)](#)
 - Budget Update – Medicaid Uplift for Primary Care
 - Telehealth – [House Bill 5651 \(MSMS Engage\)](#)
