

Happy New Year to all our Great Lakes Region family! I am Nancy Anne Berdasco, your Licensed Unity Teacher representative, and this month I wanted to let you know a few things about how the board is supporting credentialed teachers (and others!) in our region.

First of all, I want to thank the LUTs in the region for trusting me to represent their interests at the board level. I hope to carry out the board's mission of building communication bridges among our community members.

One way we can envision doing this is by building/improving a directory of LUTs within the region. We are already forming a team to facilitate this effort. If you are interested in participating in the team, please contact Nancy directly: ferretb@hotmail.com

Another way we hope to build community is to create a webpage specific to LUTs. On this page, we can regularly include information about quarterly Zoom meetings, annual conference, upcoming courses to complete CEUs, and other useful points. We also hope to include a portal to submit questions if you need a little extra help.

Lastly, we want to include a bit of additional information that you may find helpful. The Urban Ministerial School has announced SEE week! Here is the link to the schedule:

Courses marked FXXX are SEE courses. In addition, here's a link to the UWM website page for core courses and SEE equivalency:

Here's to getting 2026 off to a good start of manifestation!
