From the Regional Prayer Chaplain

Dear Sweet Spirit,

As the days grow darker let us see the light within us shining even brighter as we affirm the call that moves us forward in hope, peace, love, and joy. As the tasks become more numbered let us discern the simpler way to relax into the activities of the day. As we attune to times of celebration let us be mindful of the pain that lurks all around us. Let us always say yes to our Christ nature leading our way to uplift others in kindness and compassion as we share in unity. Thank you, God! And so it is!

You may be asking why our region now has a volunteer Region Prayer Chaplain? Why not! Unity was founded on prayer. Prayer is how we contact that Christ within. Jesus taught us that when two or more of us gather in the Christ nature, it becomes greater in the midst of us. The more we pray with others the more illumined our thinking becomes and we are guided in the Presence to knowing the better way.

As I look forward to ways I can serve in our Great Lakes Region, I ask you to let me know how I can serve you and your ministry whether it is in helping to find prayer partners, supporting prayer chaplain teams or holding your ministry in prayer. Please Give me a call or text or send me an email. I am here to support you.

Rev. Peggy Konkell, Region Prayer Chaplain

Great Lakes Unity Region and its ministries.
