

## **Heidelberg seeks nominations for Women Entrepreneur Awards**

TIFFIN - The School of Business at Heidelberg University is accepting nominations for its annual Women Entrepreneur Awards program.

Each spring, the University, through the generosity of Superior Credit Union, honors local women entrepreneurs who have excelled in four categories: Young Entrepreneur (younger than 18 years old); New Entrepreneur (in business 2 years or less); Established Entrepreneur (in business 2+ years); and Lifetime Achievement.

One recipient will be selected in each category, based on success in business, innovation in concept and execution, and community impact. The awards will be presented during a ceremony and dinner on Wednesday, April 10, 2019.

The 2019 recipients will follow in the footsteps of some outstanding local/area entrepreneurs, including local student, Maya Clouse-Henry for her business MCH Photos (Young Entrepreneur); Zoe Dolch, co-owner of Washington Street Outfitters (New Entrepreneur); Kelli Dariano, owner of Threads (Established Entrepreneur); and Karen Klepper, Heidelberg Alum, long-time volunteer on various community boards and force behind ReClaim It (Lifetime Achievement).

If you would like to nominate an outstanding woman entrepreneur, please complete the following form: [2019 Nomination Form - Women's Entrepreneur Awards](#). Nominations will be accepted through March 13, 2019.
