**Living the Word: Teaching Kids God's Story**  
Narrative Lectionary, Year 2 (2019-2020)

**Lesson #2-35**  
1 Corinthians 13:1-13

## Last Week

Last week brought the story of Paul with a congregation in Corinth. Paul has a contentious relationship with this group (Acts 18:1-4; 1 Corinthians 1:10-18).

## This Week

Paul describes the exact opposite of division and quarreling in today's lesson as he describes self-giving love (1 Corinthians 13:1-13).

## Story Summary

The passage in 1 Corinthians 13:1-13 is well known. Paul's writings about love are read at many weddings, though this passage has a bigger meaning to it. In his letter to the Corinthians, Paul is doing more than telling people to love one another—he is inviting them to be in communion with one another through the Church. Paul reminds the Corinthians (and us) that we are one Body of Christ and we should love God and other people equally, no matter who they are.

## Practice: Fellowship

Fellowship is an essential ingredient of our story, just as it is an essential ingredient of our lives. Paul demonstrated the spiritual practice of fellowship over and over as he traveled across many lands, bringing people together by sharing the good news of God. Bring people in your neighborhood this week for a meal or party.

## Next Week

Next week, Paul focuses his teaching on clarifying the concept of resurrection. The Corinthians were arguing about this belief, and Paul points out that it is not a matter of just raising the dead, but of new life in God's kingdom (1 Corinthians 15:1-26, 51-57).

## The Point

God's love is the greatest gift we can receive and share.

## Bible Nuts & Bolts

### What Are the Epistles (Letters)?

The Epistles are a collection of 21 books in the New Testament. An epistle is a letter and many of the epistles were letters written to churches to help solve problems or to encourage them in their ministry. These letters are usually called occasional letters because they were written to address specific situations (occasions). The first 13 epistles were written by Paul or by someone writing in his name. Writing in someone else's name was common during this time because it gave added authority to the letter. The Book of Hebrews is usually called an epistle, though some consider it to be a sermon instead. The remaining epistles are called the Catholic Epistles because they were written to a general audience.
