

# Happy Holidays

**from Habitat Pinellas and  
the Millan Family!**

Through the 2018 Clearwater Regional Chamber Build, 100 local businesses came together to make homeownership a dream come true for Mallory Millan and her two young boys.

"Thank you to everyone who helped build our beautiful home! The boys and I are truly grateful and are enjoying being here. We are super excited for our first Christmas! The best part of my home is sitting outside on my porch and watching all the neighborhood kids play and have fun!" - Mallory Millan
