

From: Aaron Phillips
Subject: Thank you from DEX Imaging!

To the Clearwater Regional Chamber of Commerce Staff and Business of the Year Judges:

The team here at DEX Imaging wanted to take a moment and sincerely thank each and every one of you for making our organization the 2018 Judges Choice for Business of the Year. We truly were stunned, then humbled, and now just completely honored to have been selected when there were so many incredible and deserving companies involved in this year's selection process.

When DEX Imaging was founded, we realized that our community involvement and interaction with the local business entities would be key in our success. Even though we have grown over the years, we have maintained a tight grip on those principles. Being recognized last week in the way that we were was just an affirmation that we have done it successfully.

To all of the judges, thanks so much for the investment of time and energy as we know that we all have "day jobs" that need attention. To the chamber staff, an event like the one last week takes a lot of planning and sweat equity. It was pulled off masterfully.

If you weren't in our judging group and would like to see what DEX Imaging is all about, then reach out to me. I can gladly arrange a tour. We truly look forward to continuing to work with the chamber and being a part of the continued growth of the Clearwater business community.

Warmest Regards,

Aaron Phillips | *DEXimaging*
