NEW YEAR | NEW YOU

This is the only time it is good to be the biggest loser!

To kick off the new year the staff at Bayside Urgent Care Center has started our own biggest loser health challenge. This has been so successful for us, we were thinking the other day, we don't want to leave YOU out - OUR PATIENTS.

For just \$120*, anyone can come in and get all of your biometric testing meaning your height, weight, blood pressure, pulse and a general physical exam and an EKG, as well as comprehensive blood work** such as your cholesterol and blood sugar levels. All of this will also include a follow up report on recommendations on improving your health.

This service would usually cost over \$200. We obviously can't give this away at this price forever, but this can be our gift to you until January 31st 2019. To redeem this offer stop in any day of the week and mention this Biggest Loser email or bring in this coupon below.

Now that you have had your physical & recommendations you can now start your weight loss journey.

If you would like to enter the challenge its a \$30 entry fee.
You can still do the wellness special and not the biggest loser challenge, but why do that!

If you want to become a healthier you and win some awesome prizes at the same time this challenge is for you!

Below are the rules and prizes for the competition.
Good luck everyone!

To a Healthy and Prosperous 2019!
