CBIZ ANNOUNCES DUNHAM PROMOTION

Clearwater, FL (August 22, 2019) — The Tampa Bay office of CBIZ announces the promotion of Paul Dunham to co-tax practice leader. Dunham joins Dave Janosek in this role and assumes responsibilities for practice growth, financial management and financial results for the tax practice as well as effectively coordinating local technical and quality efforts with our National Tax Office.

Dunham has over 30 years of experience in public accounting, including six years with a Big Four accounting firm. Throughout his 25+ years with CBIZ, he has gained valuable experience serving both public and privately held companies on a wide range of tax issues. These include implications of corporate acquisitions and divestitures, S corporation and partnership operations, income tax accounting methods, estate planning, real estate investment, and related taxation. Dunham has also represented clients before the Florida Department of Revenue and most notably, the Internal Revenue Service national office in Washington, D.C. As a graduate level tax lecturer, he is also an instructor for CBIZ-wide national training.

Dunham received both his Masters of Accountancy in Taxation and his Bachelor of Science in Accounting from the University of South Florida. He holds the titles of CPA and CVA and is a member of the AICPA, FICPA, National Association of Certified Valuation Analysts, Pinellas County Estate Planning Council, and the University of South Florida Accounting Circle. Dunham also served as Past Chairman for the FICPA Federal Tax Committee and is a Leadership Pinellas graduate.

“Paul has been an integral part of our tax practice since joining us in 1994.” said Bill Tapp, senior managing director, CBIZ Tampa Bay. “In addition to having an incredibly high level of technical ability, Paul is a highly respected person of integrity with a great ability to look at issues and opportunities from a different perspective. This unique perspective will allow Paul to effectively lead our tax practice – both administratively and strategically.”

CBIZ, Inc. provides professional business services that help clients better manage their finances. CBIZ provides its clients with financial services, including accounting, tax, financial advisory, healthcare consulting, risk and advisory, and valuation services. As one of the largest accounting providers in the United States, the company’s services are provided through more than 100 company offices in 33 states.
