

**CLEARWATER, Fla., (January 8, 2019)** – Board certified neurologist Kamilia Nozile-Firth, MD, has joined BayCare Medical Group and Morton Plant Hospital's medical staff. She is accepting new patients at Morton Plant Neurology, 430 Morton Plant St., Suite 402, Clearwater.

After completing both her undergraduate degree and her doctor of medicine at the University of Florida in Gainesville, Dr. Nozile-Firth continued her medical education by completing an internal medicine residency at the University of Arizona College of Medicine in Tucson and a neurology residency at the Mayo Clinic School of Graduate Medical Education in Rochester, Minn. Following that, she completed a movement disorder and deep brain stimulation fellowship at the University of Florida.

Dr. Nozile-Firth specializes in movement disorders and therapeutic deep brain stimulation. Her clinical interests include tremor disorders, cervical dystonia, spasticity, Parkinson's disease, Parkinson's plus disorders, Ataxia, and Huntington's disease.

A Diplomate of the American Board of Psychiatry and Neurology and a member of the American Academy of Neurology and the Movement Disorder Society, Dr. Nozile-Firth also has an extensive background in teaching and clinical research.

### **About BayCare Medical Group**

BayCare Medical Group is the largest multi-specialty physician group in the greater Tampa Bay area, with more than 600 providers and 46 specialties in over 190 outpatient locations throughout the west gulf coast of Tampa Bay and Central Florida. BayCare Medical Group was formed in 2014 with the merging of four BayCare affiliated medical groups in Hillsborough, Pinellas and Pasco counties. In 2016, the medical group expanded into Polk County adding additional primary care and specialty physician practices. For more information, visit [www.BayCareMedicalGroup.org](http://www.BayCareMedicalGroup.org).

### **About BayCare Health System**

BayCare is a leading not-for-profit health care system that connects individuals and families to a wide range of services at 15 hospitals and hundreds of other convenient locations throughout the Tampa Bay and central Florida regions. Inpatient and outpatient services include acute care, primary care, imaging, laboratory, behavioral health, home care, and wellness. Our mission is to improve the health of all we serve through community-owned, health care services that set the standard for high-quality, compassionate care. For more information, visit BayCare on the Web at [www.BayCare.org](http://www.BayCare.org).
