2019

## Announcements

The Ballroom is now offering a dementia friendly class, "Dance With Me." Thanks to a grant from Dementia Friendly Washoe County, we are able to offer the class free of charge for the participants and their caregivers through the first quarter of next year. We are seeking additional funding sources to help expand the program and keep the classes free.

We are also seeking volunteers to assist with the class as it grows. If you are interested in volunteering, please contact the Ballroom for details.

- Some dance experience is a plus
- Volunteers should have some physical strength to help with balance challenges and help prevent participant falls
- Experience with people with dementia and the elderly is helpful, as are compassion, kindness, an uplifting attitude, and a willingness to help in any way possible.

**There will be no classes on the 28th or 29th.**
