RE: Nomination of Candidate for Governor-Elect of the Rocky Mountain District, 2025-2026

It is the honor of the South Denver Kiwanis Club to nominate Andrea Weule for Governor-Elect of the Rocky Mountain District Kiwanis International, 2025-2026.

Andrea has been an active member of the South Denver Kiwanis Club since 2015. Upon joining the club, she immediately began sharing her commitment to Kiwanis through numerous activities/projects. At the club level, she served as President for 5 years, served as an advisor to an Aktion Club and spearheaded numerous activities. Andrea is currently serving her third term as Secretary/Treasurer and has been the Kiwanis advisor to both Cherry Creek and South Denver's Key Clubs for many years.

Andrea has attended District conferences, Mid-Year conferences, and taken advantage of training opportunities annually since becoming a member of Kiwanis. She has also attended a number of International Kiwanis Conventions.

At the District level, Andrea served as Lieutenant Governor for District 15 (now District 6) for 3 years. She still maintains a close relationship with those clubs in our district, supporting their activities and attending some of their meetings. By doing this, she has fostered wonderful relationships and it has allowed our club to participate in a number of Interclub activities. She organized a food pack for Colorado Feeding Kids to facilitate a recruiting video for the District and hosted a District luncheon for International President, Art Riley.

Andrea was recognized as a Distinguished Lieutenant Governor, and is the recipient of the Rod Ellerbush Leadership Award, Lusche Fellow, Club Kiwanian of the Year (twice), among other prestigious recognitions.

Andrea's impact at the Club and District level is unmeasured. She has practiced her Kiwanis spirit by practicing Kiwanis values as a Key Club member in her high school (serving as club Treasurer and President and then as Montana District Key Club Governor), Circle K member at Montana State University and now as a valued member of the South Denver Kiwanis Club. She further has served her community by being on several advisory boards, including Archway Communities and Colorado Feeding Kids.

Andrea will bring leadership, wisdom, vast experience and enthusiasm as a candidate for the office of Governor-Elect to the Rocky Mountain District.

Sincerely,

Debra Weule, President  
Kiwanis Club of South Denver
