

MSOE KHADIA, MAJHIGAON, INAUGURATION REPORT, 9.1.2021

On 9th January, 2021, God enabled us to inaugurate the MSOE **KHADIA**. On this day local leaders, pastors and local believers attended the meeting. The inauguration service was held with lighting the lamp by Rev. NS, the MSOE Coordinator, then he shared the concept and goal of MSOE elaborately; the participating students and teachers were encouraged to take the responsibility with understanding and in the spirit of submission to the Great Commission.

10 men from Khadia background committed themselves for next 18 months training program. The senior Pastor Rev. CMT and Pastor SS, both SOE alumni, have been entrusted for this MSOE. Finally Rev. NS and both the teachers took one hour class respectively and helped the students "how to win souls" for Christ. The component of the class is How to overcome fear, how to speak/ witness without offensive manner. Rev. CMT prayed for the successful of the program. All the students encouraged and got excited to study and to become living witnesses among their nearby villages among their own fellow villagers' relatives and plant family churches.

We have given start up tools i.e. white board, stand, markers, duster, diary, pen, and set of books to each student. The first semester teaching materials have been given to the teachers. All the students have been encouraged about this MSOE in their doorstep.

Thanking you,

*Rev. NS
Coordinator, MSOE*
