

# Teen Boutique

Teen Boutique, an event organized by The Sharing Shelf, is a one-day free shopping boutique for girls ages 13-19 from families in financial need. The Sharing Shelf invites girls to attend the event through the recommendation of community groups, social service agencies, schools, hospitals and food pantries.

Each season, The Sharing Shelf organizes Teen Boutique in conjunction with volunteers from the community. Our spring Teen Boutique will take place at the Boys & Girls Club of New Rochelle on Saturday, May 4, 2019 in partnership with the Junior League of Central Westchester.

## What is The Sharing Shelf?

The Sharing Shelf, a program of Family Services of Westchester, collects new and gently used clothing for infants, youth and teens and new school supplies. We then distribute those items to children in need at no cost. The Sharing Shelf was founded by a volunteer in 2009 and relies on volunteers to achieve its mission.
