

The Sharing Shelf

Sock & Underwear Challenge

Help us collect
the 2,000 pairs of new socks and
2,000 pairs of new underwear
we need each month

We are looking for businesses, schools, troops, book clubs, or even families to adopt a month and help us provide this basic necessity.

To adopt a month or even a few weeks, please contact Kathy Ellis, Assistant Program Director: kellis@fsw.org or (914) 305-5950

Underwear and socks are a basic necessity, something we put on each morning as we prepare for the day. They are a daily essential yet, unfortunately, for many children in Westchester, they are a luxury their families struggle to provide.

A week's worth of socks or underwear - or 7 pairs - averages about \$10 at the local discount store.

*Your donation will not only help children feel good, it will meet a human need in our community.
We need underwear in all sizes, from 3T through Adult (teen) XL and
socks from infant through adult.*

The Sharing Shelf collects new and gently used clothing for infants, children and teens.

The clothing is distributed to local children at no cost.

We strive to provide each child with new socks and new underwear.
