The Sharing Shelf, a program of Family Services of Westchester, is Westchester's Clothing Bank for Children.

We collect new and gently used clothing for infants, children, and teens. The clothing is sorted by quality, size, season, and gender then distributed to children in the local community at no cost. The children we serve receive a week's worth of seasonally appropriate clothing, matched into outfits according to their sizing needs. In 2018, The Sharing Shelf provided clothing to more than 2,700 children and distributed 1,450 backpacks through over 50 area nonprofits, schools, and hospitals.
