

00:00:00:01 - 00:00:04:33

Hauter

Thank you, Madam Speaker. I have a parliamentary inquiry.

00:00:04:38 - 00:00:06:02

Speaker

Please proceed.

00:00:06:06 - 00:00:23:05

Hauter

Is it the decorum of the House to have a representative insult the opposition and accuse them of being interested in children's genitalia? That's an honest question.

00:00:23:10 - 00:00:25:54

Speaker

Restate your question. Please.

00:00:25:59 - 00:00:49:00

Hauter

Is it the decorum of the House that a representative can call the opposition and insult them and say they are interested, only interested in children's genitalia? I believe the gentlewoman should take down her words.

00:00:49:05 - 00:00:57:15

Speaker

Representative, we will look at it. Talk with the parliamentarian and respond accordingly.

00:00:57:19 - 00:01:10:40

Hauter

Then we'll wait. And you know, I believe that we can have legitimate debate about transgender policy without accusing the other side of pedophilia.

00:01:10:45 - 00:01:13:16

Speaker

Understood. Thank you.
