## **2023 Board Election**

### **The Result of the Election Process November 6<sup>th</sup>, 2023**

Dear Fellow Hotel Association Members,

I write to you for the 3rd and final time on behalf of the Governance Committee of the Board, who is responsible for the election process of the Association. On September 13<sup>th</sup>, 2023, the deadline for any further nomination to the official slate was reached and given that in accordance with our Bylaws there are no nominations from the floor at the AGM, the nomination process has closed.

Therefore, I am pleased to advise the members that the Board of Director seats that were up for election for the year 2023 are now acclaimed and listed below. These Directors shall serve for a two-year term, concluding at the AGM in 2025.

On behalf of our members, the Committee and myself, I would like to thank all who put their name forward to serve the provincial hotel community in this capacity; it is a vital component in the health of our Association and industry.

We look forward to seeing you at the AGM on November 14<sup>th</sup>, 2023, and may this coming year be productive, fruitful, and enjoyable for the Association and its Board.

Respectfully submitted,  
Bryan Pilbeam  
Past Chair & Chair, Governance Committee
