## **Swimming Pool Operator Training**

- Do you operate a swimming pool or a hot tub for a hotel, motel, strata or public swimming pool??
- Did you know that swimming pool operators need appropriate training to be certified as pool operators according to the BC health act??
- Does your staff need this training??

### **Get Pool Operator Training to Certify Your Staff**

- We offer BCRPA certified Pool Operator training. This is BC's most recognized Pool Operator Training
- Updated content reflects current BC Pool Regulations and Guidelines
- Classroom and hands-on learning
- Satisfies BC Health Act requirements for training.

### **Two Easy Ways to Receive Training**

#### **1. Register your staff in a course at the Johnson Bentley Pool.**

Call 778-797-7665 and ask when the next Pool Operator Course is being offered. Courses are offered about every six weeks. The benefit of this training is that is convenient and affordable to have one or two people trained

#### **2. Bring the instructor to you.**

Arrangements can be made to bring the instructor to your facility or your area. Call 778-797-7665 and ask for the instructor, John Douglas. Make arrangements with the instructor to come to your area or your facility. The benefit of this training is that you will be taught on your own equipment at your own facility. More affordable for larger groups of people.
