About our Retreat Leader: **Maria Grace**

Six time BRAG Medallion Honoree, #1 Best-selling Historical Fantasy author Maria Grace has her PhD in Educational Psychology and is a 16-year veteran of the university classroom where she taught courses in human growth and development, learning, test development and counseling. None of which have anything to do with her undergraduate studies in economics/sociology/managerial studies/behavior sciences. She pretends to be a mild-mannered writer/cat-lady, but most of her vacations require helmets and waivers or historical costumes, usually not at the same time. She writes gaslamp fantasy, historical romance and non-fiction to help justify her research addiction.
