

CATHEDRAL SUMMER CAMPS

Christ Church Cathedral offers summer camps for children that bring a new depth to other camp offerings in the region. During the choir camp, children sing, play instruments, create art, play games, and explore Christian faith. The Camp Create art camp explores the ways in which art and the sacred meet through the creation of that art.

Each week-long camp is led by professional musicians and artists who are passionate about sharing their knowledge, inspiration and spirituality with young people. And each is built upon the same principles: to use the sacred space of the cathedral to nurture both the faith and the artistic development of children. These vibrant summer programs provide children from the cathedral congregation, the diocesan parishes and the community beyond an opportunity to come and enjoy an experience that intentionally and openly encourages them to awaken to their own inner spirituality, no matter what their beliefs.

**MUSIC CAMP
JUNE 24 - 28**

**"CAMP CREATE"
ART CAMP
JULY 8 - 12**
