

Support your trainees today. Stronger clinicians tomorrow.

ReproHH Reproductive Health Hotline

Add a ReproHH call assignment to your curriculum!

Give your trainees real-world experience getting expert help for sexual and reproductive health (SRH) questions— so they graduate knowing how easy and quick it is.

A quick call connects you with expert answers for your toughest reproductive health questions.

Board-certified OB/Gyns and family physicians with over 100 years of collective experience in reproductive health.

Evidence-based, unbiased information for clinicians nationwide.

CALL
1-844-ReproHH

ON-DEMAND SUPPORT
7 am – 4 pm PT (10 – 7 ET)
Mon – Fri (excluding holidays)

Call 1-844-ReproHH (1-844-737-7644) with a reproductive or sexual health case-based question from your practice, then fill out the following:

Your Question: _____

What you learned: _____

How you would apply this information to future cases: _____

Optional question for additional thought or discussion: Look up information on your question from another source, such as PubMed or Open Evidence. Was the information you gathered different from what you learned from the hotline, and if so, how? How was the experience different?
