

WE DID IT AGAIN!

For the second year in a row, Earlham, Iowa was awarded a \$25,000 matching grant from the Mortimer & Mimi Levitt Foundation (a private family foundation that supports arts, culture & education across the nation) to host a FREE, 10-WEEK CONCERT SERIES! We are honored to be one of only 20 other cities in the nation to receive this prestigious grant!

If you missed your opportunity last year to hear the incredible musical talent coming from our city park stage or to experience the unique sense of community the Levitt Amp Earlham Music Series brought to our small town last summer, you most likely heard about it. Because of the Levitt Amp grant and the efforts of our local, philanthropic women's group, Chicks with Checks, we attracted an average of 500 unique visitors and local guests each and every week last summer! And now, we want YOU to be a part of it!

HOW CAN I HELP?

PLEASE COME! Come see the vibrancy this FREE, 10-WEEK CONCERT SERIES has brought to our city park. Come see how this FREE, 10-WEEK CONCERT SERIES inspires an entire community. Come see the diverse and emerging artists and musicians from across the nation showcase their unique talents and cultures.

WE NEED YOUR HELP! Please consider helping us match this generous \$25,000 grant. Your contribution can help us amplify our FREE, 10-WEEK CONCERT SERIES and make it possible for all of our families, friends, neighbors and folks beyond to gather together every Sunday evening, enjoy free entertainment and safe family fun. Not only will your sponsorship increase the event's potential, but it will also provide you or your organization a unique exposure opportunity.
